

CHANDLER/GILBERT YMCA INDIAN GUIDES SIOUX NATION COUNCIL NOMINATION

February of each year is the month that nominations are accepted for the next year's Indian Guides leaders.

Fill out this form to nominate officers for the program. You may nominate one person per office including yourself. All nominees must be current Chandler/Gilbert YMCA Indian Guides members and next year's membership is mandatory. List each nominee's experience as Tribal officers and Nation Council officers that have been held in this year or previous years. Nominees for Nation Chief must have a minimum of one year's experience (including this year) as either a nation officer or Tribal Chief. There is no minimum requirement for the other offices.

It has been decreed by the Nation Council that each tribe is responsible to nominate a minimum of one member (does not have to be members of your tribe) per office to earn points toward the Tribe of the Year contest.

Upon completing your nominations, return this form to any member who will be attending the March Nation Council meeting. The ballots will then be prepared for voting at the April Nation Council meeting. All members that attend the April Nation Council meeting will have one vote for each office.
